

REMARKS

The application has been amended in a manner that is believed to place it in condition for allowance at the time of the next Official Action.

Claims 1-6 were previously pending in the application. Claims 1 and 4 are canceled; leaving claims 2, 3, 5 and 6 for consideration.

Applicant notes with appreciation the indication that claim 6 is allowed and that claims 2, 3 and 5 are allowable. In reliance thereon, each of claims 2, 3 and 5 is rewritten in independent form.

As noted in a telephone call to Examiner Reynolds on April 16, 2009, claim 2 is amended to change "away from the fold line" to "away from an inside of the outer envelope". As agreed such a change more accurately reflects the invention without raising new issues.

Canceling claims 1 and 4 is believed to obviate the rejection of these claims under 35 USC 102(b) as being anticipated by THIELE et al. DE 19728263.

As the claims remaining in the application are indicated as allowable, it is believed that the present application is in condition for allowance. An early notification of allowance is respectfully requested.

Please charge the extra independent claim fee of \$110 to our credit card.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
